INTRODUCTION

Tammy Gibson is a transformational speaker, writer, and the founder of Tough Like Tammy. After surviving a life-threatening illness and losing her leg, she didn't just rebuild—she redefined what it means to lead from lived experience.

Her keynotes blend raw storytelling, faith-rooted wisdom, and practical tools that move women from survival mode into powerful presence. Whether on stage or in intimate rooms, Tammy challenges women to stop shrinking from their story—and start owning it as the foundation of their leadership.
